

STEVE HUGHES

BACK TO THE FRONT

PRESS RELEASE 2024 UK & IRELAND TOUR

"A PROPER LAUGH RIOT" - ROLLING STONE

STEVE IS BACK TO THE COMEDY FRONTLINE

Join Steve Hughes on a comedic journey as he brings his unique blend of humour to the stage in "Back to the Front."

Known for his past shows like "While It's Still Legal," and the legendary "Conspiracy Realist," Steve's comedy has delved deep into the madness of the world around us.

Many have likened his previous shows to prophecy, as his jokes from the past decades have uncannily become the reality we live in today.

His career has spanned a couple of decades and with a style reminiscent of the true greats, Hicks and Carlin, Steve Hughes is unapologetically bold and insightful.

His performances are not just side-splitting comedy; they are a reflection of the absurdity and chaos of our times, delivered with a touch of brilliance that sets him apart from the others.

Don't miss the chance to experience Steve Hughes live on stage, where laughter meets truth in a seamless blend of entertainment and enlightenment. Catch him on his 2024 UK & Ireland tour, where he promises an evening of uproarious, unbridled, and unapologetic comedy that will leave you wanting more.

Get ready for an unforgettable night with a true comedy legend
- Steve Hughes.
